Tier Pricing & Scholarships

In the following pages, you will find program descriptions and specific rates. Realizing that families have different abilities to pay, we've offered a voluntary tiered pricing program. Tier A covers the true cost of camp. Please pay Tier A whenever possible so we can continue to provide highly qualified staff and relevant programs at a well-maintained campsite. Tier B partially subsidizes fees for families unable to pay the entire cost of camp. Camper scholarships are available if additional assistance is needed.
