## Tiered Pricing & Scholarships

In the following pages, you will find program descriptions and specific rates. Realizing that families have different abilities to pay, we offer a voluntary tiered pricing program.

Tier A covers the true cost of camp. Please pay Tier A whenever possible so we can continue to provide highly qualified staff and relevant programs at well-maintained campsites.

Tier B partially subsidizes fees for families who need it.

Camper scholarships are available if additional assistance is needed.

“

I don't think I'll ever find a place as accepting as Camp Sonshine. The staff at Camp Sonshine create a place where my camper feels safe to meet other kids, try new things and have a blast!”
