

Dear Friends and Family,

[Type a paragraph about where you are at in life (school, work, etc.), how you have seen God work in your life over the past year. Talk about how excited you are for your next step - being **called to serve at Camp Sonshine!**]

I am excited to share that Camp Sonshine has offered me a position on their camp ministry team for the Summer of 2026 to join them in the amazing work they are doing! Camp Sonshine is a Christian summer camp for children ages 5-18 years old. They provide day camp and overnight camp experiences for the campers that attend.

Camp Sonshine's mission is to UNLOCK & UNLEASH kingdom builders by leveraging camp experiences to create a place to BELONG & BECOME!

They have been running their camp ministry for 19 years and reach over 4,000 campers with the gospel each summer. They hire staff members from across the United States and around the world. This summer, I will have the opportunity to serve these children alongside other Camp Sonshine staff and show them the love of Christ! During my time at Camp Sonshine, I will be building relationships with the campers in my group, participate in fun activities with them, and teach them more about God!

This is a paid ministry position, which will help me with many of my expenses. Camp Sonshine has graciously chosen to increase my summer salary, trusting in advance that through my commitment to build a summer support team of friends and family, that not only would I have a group of people praying for me, but that some would choose to help underwrite my mission through a financial gift to the ministry of Camp Sonshine.

I would appreciate your encouragement and support as I serve.
